A photograph of a large, white, rectangular hot tub with a dark grey base, situated in a garden. The hot tub is filled with bubbling water. In the background, there is a yellow house with a dark roof and two dormer windows. A blue pool cover is visible behind the hot tub. The garden is surrounded by greenery and a brick wall. The sky is blue with some clouds.

Customer Feedback

Shane E

"Great communication, prices delivery and expertise when ordering our tub. Simon organised a Crane to get our tub placed in our garden as access space was limited, which helped smooth and safe delivery and placement.

Would completely recommend these guys for any tub needs. Thank you."

June, 2020

Vicky O

"Couldn't be happier with our hot tub!

Simon was really helpful and knowledgeable. Whole process was stress free- even with having the hot tub craned in due to limited space. Simon arranged everything which just made the day run so smoothly. Even gave us tips on how to reduce costs and changed the control panel on the day as he wasn't happy with the original, nothing was too much trouble.

Very professional & friendly service, great prices and we can't thank you enough!"

June, 2020

Lauren W

"Thank you midlands hot tubs for brilliant service and explaining about our new hot tub it's been a whole week and can't recommend it enough! Thanks a lot guys"

May, 2020

Michelle W

"AMAZING - HIGHLY RECOMMENDED

Simon is a great bloke and we couldn't recommend him and his company enough.

Lovely, friendly service with a great range of tubs at great prices. We got our hot tub delivered Friday and set up yesterday.

Simon gave us great service, right until the end and gave us all the information we needed and more.

We have got in it today as its now all ready to go and its brilliant. Thank you so much x"
